

# Extra Credit Reporting Form

Student name \_\_\_\_\_

Adult signature \_\_\_\_\_

1. Do the extra credit assignment in front of at least one adult family member. Be sure to explain what you are doing, and why, along the way.
2. What is the name of the extra credit assignment?
3. Briefly explain what you were trying to accomplish. (purpose/question to answer)
4. Briefly explain what you had to do. (procedure)
5. What have you learned from doing this assignment? (conclusion)
6. How did having to explain to someone else help you to understand this assignment?
7. For adult family member, please answer the following questions:
  - How much do you think this assignment helped your student understand the scientific principles involved?
  - What did you like best about the assignment?
  - What suggestions do you have to improve this assignment?
